Trying to find Mr. Right? Or are you just settling for Mr. Right Now? In Search of My Brotha, My Lover, My Man, offers you many ways that already exist within one’s self. The Word states, “*We have not because we ask not*” If only we would give voice to the thing that we’re believing for, for there’s power in the tongue.

I’ve found that many of my sistah’s are settling, have been settling, and will continue to settle, HOLD-UP! You don’t have to settle any more, you possess the powers to “*Call those things that be not as though it already is*” according to (Romans 4:17)

STOP! Limiting your self. One day Raychal Montgomery found a newly open Spa owned and operated by three brotha’s...

... As I felt the strength of his voice, the same was in his touch, strong yet gentle, I can only imagine it was a part of his physique. Listening to Asante’ hum made my soul dance to his rhythm, as I laid on the table the rhythm of a thousand native drums played to my spirit...

## PAGE II

... I envisioned Zavior to be a (CCCB), Caramel  
Colour Chocolate Brotha with the physique of a young soldier  
accompanied with season experience in the art of physical  
touch administered to my body, with the assurance of enhanced  
pleasure and sensation that will sure-nuff rock a sistahs world...

As for myself... I must admit I was guilty of the same limitations as many of  
my sistahs until I found out what God's will for my life was, and what I had a right to  
being a child of God. I would have stayed in that same mind set, thinking that I was  
suppose to chase after a brotha, share a brotha, settle for just any "Joe" until I got sick  
N tired of being sick N tired of the same old drama in my life, I knew a change had to  
come, and soon.

... See I only know the kinda of brotha's that'll keep it on  
the real with ya... but you don't want that kinda brotha, see... you'd  
rather be knocked up side your head every now and then, and that's  
suppose to mean they love your silly ass. Right on Ms. Thang, you'll  
be callin' me, and you know what, I'll be right there, me and my thug,  
gangsta, rough neck, baggy pant, gold tooth wearing boyz...

...Searching for your brotha, your Lover, your Man is not  
going to happen over night, it takes time, because in you is where  
you'll find him. That's right. The qualities that embedded in you,  
are the qualities your man will ascertain...
